

Privacy Policy for Sol's Stat Tracker

Thank you for using Sol's Stat Tracker! Your privacy is important to us. This Privacy Policy explains what information we collect, how we use it, and what choices you have.

Information We Collect

Sol's Stat Tracker only collects in-game stat information from Sols RNG, including:

- Your Roblox username
- The name of the global you obtained
- Your roll number
- The timestamp when the global was obtained

We **do not** collect:

- Any Discord account information (such as your email, password, IP address, or private messages)
- Any personal or sensitive data

How We Use Your Information

The information collected is used to:

- Post updates about your own and other users' global item drops into a Discord channel on your server.

Data Storage and Security

- Only your in-game stats are stored securely.
- No private or sensitive information from Discord or Roblox is saved, accessed, or shared.

Your Choices

If you no longer want Sol's Stat Tracker to post updates:

- You can kick the bot from your server at any time.
- Once removed, the bot will immediately stop posting globals in your server.

Data Sharing

We do not sell, trade, or share any collected data with third parties.

All updates are posted only within your server through automated messages from the bot.

Changes to This Privacy Policy

We may update this Privacy Policy in the future.

If we do, any changes will be announced in our official Discord server: discord.gg/mbfinder or discord.gg/GsTGPYVWT7
